Hi Gary
That's good. With many challenges ahead.
I met Avi in NY for his spouse exhibition. She is a serious artist.
I think most urgent is to have Avi sign in. This will change everything immediately. You can probably push it forward.
I'll be in Paris over this weekend.Later in Azerbaijan.
Only oil. No Aluminum.best
To Um Ella.

Dear Gary and Farkash,
Enclosed please find my main understanding of the visit.
I would like to thank Farkash for being so open and enabling us to meet people and organizations of all kinds : those who love us and those that not so much …
I would be happy to get any comments or questions
Warm regards,
Avi
